The College of Business Administration at the University of Illinois at Chicago (UIC) offers a Bachelor of Business Administration (BBA) Degree Completion Program online. Upon successful completion of all coursework, students will earn a fully accredited BBA degree from UIC.

TRANSFER FACTS

- Students will be prepared to enter the program if the following requirements are met:
  - Completed at least 60 hours of prerequisite post-secondary course work with a grade of “C” or better at Richland Community College (see below)
  - Have a cumulative GPA of 2.5 (4.0 grading scale) in all post-secondary course work
- The University of Illinois admits students to the BBA Degree Completion Program in January and August. The preferred admission deadline is two weeks prior to the start of class.
- The non-refundable application fee is $40 (Illinois residents), $50 (Nonresidents), and $75 (International). Tuition must be paid in full by the first day of class.
- Students should send transcripts to the UIC Online office at the address listed above. Transcripts will be evaluated by a Student Services Advisor. Students can contact an Advisor via the phone or email address listed above.
- An Associate in Arts or an Associate in Science degree earned after May of 1998 fulfills the UIC General Education requirements, per the Illinois Articulation Initiative (IAI) agreement. Students who have not earned the degree must complete 60 transferable hours, including UIC General Education requirements. UIC’s General Education requirements can be satisfied in the following ways:
  - Completion of the IAI General Education Core Curriculum (IAI GECC)
  - Completion of UIC’s General Education requirements

| Total Prerequisite Credit Hours Required from Richland CC | 60+ |

Please note that students should not duplicate disciplines in selecting courses to satisfy the six General Education categories above. Also, students can take a 4 credit hour course to satisfy the Analyzing the Natural World general education requirement but will need to make up the 1 credit hour requirement in the Electives category. Finally, the Finite Mathematics course does not count toward the Analyzing the Natural World requirement.

*An Associate in Arts or an Associate in Science degree earned after May of 1998 fulfills the UIC General Education requirements, per the Illinois Articulation Initiative (IAI) agreement. Students who have not earned the degree must complete 60 transferable hours, including UIC General Education requirements. UIC’s General Education requirements can be satisfied in the following ways:

- Completion of the IAI General Education Core Curriculum (IAI GECC)
- Completion of UIC’s General Education requirements

**Other Mathematics, Calculus, Statistics or quantitative analysis courses are highly recommended prerequisites that can be taken in order to satisfy the 24 hours of Electives requirements. (MATH 121, 190, and PHIL 200 are examples.) Many of the courses listed below for the General Education requirements can also be used to satisfy these requirements. Finally, a number of Business courses will satisfy the Electives requirement as well.
