

University of Illinois at Urbana-Champaign Diversity & Equity in Education Certificate

Program Description

Diversity & Equity in Education (DE) is a social-justice oriented program that aims at providing educators with transformative approaches to issues related to diversity and equity in P-16 learning environments. Courses will help teachers, administrators, school staff, and other educators to understand how diversity and equity relates to learning theories, leadership, and pedagogy. Our interdisciplinary approach to diversity and equity will cover the intersections of disability, race, gender, sexual orientation, social class, and poverty and draws on interdisciplinary research in education.
